Dear Sir,

Development approval for water-related operational works (Development Permit 176904) – Burnett River Dam Project – Request to change development approval and condition(s)

The chief executive of the Department of Natural Resources, Mines and has considered your request to change development approval and conditions on the above permit, made pursuant to sections 3.5.24 and 3.5.33 of the *Integrated Planning Act 1997*, and I advise as follows

- The request was approved with conditions on 7 June 2004 and the relevant changes to the development approval conditions are outlined below –
- o The dimensions of the outlet works and diversion works have been amended slightly – (See plans BDA-D-C-010 (issue A), BDA-D-C-006 (issue 5) & BDA-D-C-003 (issue 1))
 - o Minor Amendments have been made to dimensions and locations of the upstream and downstream coffer dams (works reference 13010 & 13012) and the upstream causeway (works reference 13014).
 - o Condition D035 of Part A – General Conditions of the Approval has been amended to update plan numbers.
 - o Condition 2 of Part B Other Conditions of the Approval has been amended to allow the upstream Coffe Dam and Causeway to remain (subject to conditions) after completion of the Burnett River Dam.

Should you have any questions about the above, please contact Bruce Bass on telephone number (07) 41315740 quoting the above reference number.

Yours sincerely

Bruce Bass
